

REMARKS

Applicants would like to thank the Examiner for her consideration during the interview of January 17, 2008. During that interview, applicants' representative discussed the Amendment filed January 14, 2008 in response to a non-final Office Action mailed on September 27, 2007. The Examiner suggested amending claim 37 to recite "translating by the first device." The Examiner further suggested amending claim 48 to recite "a component of the first device." Applicants thank the Examiner for her helpful suggestions, and have amended the claims as suggested by the Examiner. If the Examiner believes that any additional information regarding the interview is necessary, please let the undersigned attorney know.

Based upon the above amendments and remarks, as well as applicants' response filed January 14, 2008, applicants respectfully request reconsideration of this application and its early allowance. If the Examiner has any questions, or believes a telephone conference would expedite prosecution of this application, the Examiner is encouraged to call the undersigned at (206) 359-8077.
